### 1. Application of Determination

This Determination applies only to current, licensed Gas-fitters who were registered by the Gas-fitters Registration Board, under the provisions of the repealed *Gas-fitters Registration Act 1951*, and who have been working as a Gas-fitter continuously since the cessation of the Board and that Act.

### 2. Interpretation

For the purposes of this Determination, definitions contained in the *Occupational Licensing Act 2005*, the *Occupational Licensing (Gas-fitting Work) Regulations 2010*, the *Occupational Licensing (Gas-fitting Work Licence Classes – Gas Installation) Determination 2016* and the relevant standard or the meaning (if any) attributed to them under the *Acts Interpretation Act 1931* and are to be used.

### 3. Eligibility for endorsement for Gas Installations/Storage Systems – Boats and Caravans (LPG)

Licensed Gas-fitter practitioners who were registered by the Gas-fitters Registration Board under the provisions of the repealed *Gas-fitters Registration Act 1951*, and who have been working as a Gas-fitter continuously since the cessation of the Board and that Act, and who do not currently have the Endorsement for Gas Installations/Storage Systems – Boats and Caravans (LPG), are eligible to be endorsed, provided that they:

- a. have demonstrated continuity as a licensed Gas-fitter since the cessation of the Gas-fitters Registration Board and the *Gas-fitters Registration Act 1951*;
- b. have demonstrated suitable professional competency as a Gas-fitter since the cessation of both the Board and that Act; *and*
- c. are willing to undergo the required industry training regimes as required from time-to-time, such as Continuing Professional Development.

### 4. Process to make an application for endorsement

Licensed Gas-fitter practitioners seeking this endorsement because they fit the criteria in this Determination are able to apply if:

- a. the practitioner makes an application to Consumer, Building and Occupational Services (CBOS) in the approved form;
- b. the application is assessed by CBOS as meeting the necessary requirements under the *Occupational Licensing Act 2005* and the *Occupational Licensing (Gas-fitting Work) Regulations 2010*.
